Section 18 of the Firearms Act covers the loan or surrender of firearms and parts thereof.

The applicant must meet the general requirements for age, conduct and personal characteristics stipulated in Sections 15, 16 and 17 of the New Firearms Act.

Anyone who has permission to own firearms subject to mandatory permits may borrow similar firearms. The lender hereby certifies that they have ensured that the borrower holds a valid permit prior to lending the firearm, and thus hereby issues the borrower with a loan declaration.

The lender has ensured that the borrower holds a licence or permit for a hunting rifle or a firearm in a higher category. The time limit of four weeks has been removed from the new legislation. In principle, the declaration shall apply to a specific firearm, cf. requirements set out in Section 6-9 (3) of the Firearms Regulations. The duration of the loan of the above firearm is set out on this form.

THE FIREARM MUST ONLY BE USED FOR THE AGREED PURPOSE. ALL NECESSARY INSTRUCTION IN HANDLING THE FIREARM HAS BEEN GIVEN.

THIS FORM MUST ACCOMPANY THE FIREARM AND MUST BE PRESENTED TO THE POLICE FOR INSPECTION UPON REQUEST.
